### **REMARKS**

Enclosed herewith is a Terminal Disclaimer filed pursuant to 37 C.F.R. 1.321(c). As noted in the Office Action of April 7, 2005, such a Terminal Disclaimer overcomes all pending rejections under the judicially created doctrine of obviousness-type double patenting.

Entry of the Terminal Disclaimer is proper as it places all of the claims in condition for Allowance. Accordingly, Applicants respectfully request entry of the Terminal Disclaimer, withdrawal of the pending rejections, and an indication that the pending claims are now in condition for allowance.

Applicants note that the present Terminal Disclaimer is being filed to advance prosecution of this case, and in no way should be interpreted as an indication that the Applicants agree with the rejection set forth in the Official Action.

Respectfully submitted,

D. Randal Ayers
